

The architectural site plan for 'Rez 1' is divided into several functional zones. The top section features a large tree and a smaller shrub, with horizontal dimensions of 5,0 and 5,0. The middle section contains three circular building footprints, each with a radial internal structure, and a rectangular building footprint with a grid of internal spaces. The bottom section shows a parking area with a grid of parking spaces and a central area labeled 'osa pozamku' (parking axis). Dimensions include 5,0 for the width of the building footprints, 23,0 for the width of the parking area, and 1,0 for the width of the parking spaces. A north arrow is located in the bottom right corner.

Technical drawing of a landscape design for a residential area, showing a plan view and a cross-section (Rez 7).

Plan View (Top):

- Overall width: 24,6
- Central row of trees: 24,6
- Flanking rows of smaller trees: 4,7 (left), 4,9 (right)
- Distances between tree rows: 5,0 (left), 5,0 (center), 5,0 (right)
- Property axis (osa pozemku) is indicated.

Cross-section (Rez 7, Bottom):

- Property boundary (hranice pozemku) is indicated.
- Protection zone (ochranné pásmo síti) is indicated.
- Property boundary existing vegetation (hranice pozemku stávající porosty) is indicated.
- Distances: 6,7, 3,0, 5,0, 5,2
